

HMS VICTORY

BIO

HMS Victory is a first rate ship of the line and the oldest commissioned warship in the world being launched in 1765. She was the Flagship of Admiral Nelson at the battle of Trafalgar on the 21st October 1805 and is now the Flagship of the First Sea Lord.

ARMAMENT

30×2.75-ton long Blomefield 32-pounders
28 × 2.5-ton long 24-pounders
30 × 1.7-ton short 12-pounders
12 × 1.7-ton short 12-pounder
2 × medium 12-pounder
2 × 68-pounder carronade

STATS

DISPLACEMENT (T)	2,142	LENGTH (M)	69.34
SPEED (KNOTS)	11	WIDTH (M)	15.80
CREW	850	VESSELS IN CLASS	1

VANGUARD CLASS

BIO

The Vanguard Class ballistic missile submarines provide the 24hr 365 day nuclear deterrent for the United Kingdom with one submarine on patrol somewhere in the world.

ARMAMENT

4 × 21-inch (533 mm) torpedo tubes for:
Spearfish heavyweight torpedoes
16 × ballistic missile tubes for:
8–16 Lockheed Trident II D5 SLBMs
(carrying up to 8 warheads each)

STATS

DISPLACEMENT (T)	15,900	LENGTH (M)	69.34
SPEED (KNOTS)	11	WIDTH (M)	15.80
CREW	850	VESSELS IN CLASS	1

ASTUTE CLASS

BIO

The Astute Class fleet submarine is one of the largest and most effective 'hunter-killer' submarines in the world. The Astute boats can deliver land attack missiles hundreds of miles in land or sink enemy shipping all without being detected.

ARMAMENT

6 × 21 in (533 mm) torpedo tubes with stowage for up to 38 weapons:

Tomahawk Block IV cruise missiles

Spearfish heavyweight torpedoes

STATS

DISPLACEMENT (T)	7,400	LENGTH (M)	97
SPEED (KNOTS)	30	WIDTH (M)	11.3
CREW	98	VESSELS IN CLASS	7

TRAFALGAR CLASS

BIO

The Trafalgar Class fleet submarine is a nuclear powered 'hunter-killer' submarine operated by the Royal Navy. The Trafalgar boats can deliver land attack missiles hundreds of miles in land or sink enemy shipping all without being detected.

ARMAMENT

5 × 21-inch (533 mm) torpedo tubes with stowage for up to 30 weapons:

Tomahawk Block IV cruise missiles

Spearfish heavyweight torpedoes

STATS

DISPLACEMENT (T)	5,300	LENGTH (M)	85.4
SPEED (KNOTS)	30	WIDTH (M)	9.8
CREW	130	VESSELS IN CLASS	7

QUEEN ELIZABETH

BIO

The Queen Elizabeth Class is the largest class of warship ever built for the Royal Navy. As an Aircraft Carrier they can project power across the world and use their aircraft to attack targets around the world and protect the fleet for air attack wherever they may be deployed.

ARMAMENT

3 × Phalanx CIWS
4 × 30-mm DS30M Mk2 guns (for but not with)
6 × Miniguns
An air wing of 40 aircraft

STATS

DISPLACEMENT (T)	65,000	LENGTH (M)	280
SPEED (KNOTS)	32	WIDTH (M)	73
CREW	679	VESSELS IN CLASS	2

ALBION CLASS

BIO

The Albion Class landing platform dock serves as the Royal Navy's primary method of deploying large numbers of troops from the sea. Using her large dock and landing craft troops can go ashore to attack a beachhead or to deliver humanitarian aid to far off locations.

ARMAMENT

2 x 20mm Phalanx CIWS
2 x 20 mm cannon
4 x General purpose machine guns

STATS

DISPLACEMENT (T)	19,560	LENGTH (M)	176
SPEED (KNOTS)	18	WIDTH (M)	28.9
CREW	325	VESSELS IN CLASS	2

DARING CLASS

BIO

The Daring Class, or Type 45 Destroyer is one of the most advanced air defence destroyers in the world. The radar system on the Type 45 can track and target 1,000 objects the size of a cricket ball going 3 times the speed of sound, all whilst staying out of harm's way.

ARMAMENT

48 x Sylver Vertical Launching System, up to 4 x 8 Harpoon missile, 1 x 4.5 inch Mark 8 naval gun, 2 x Oerlikon 20mm gun, 2 x 20 mm Phalanx CIWS, 2 x Miniguns, 6 x General purpose machine guns 7.62 mm, 1 x Wildcat or Merlin helicopter

STATS

DISPLACEMENT (T)	8,500	LENGTH (M)	152.4
SPEED (KNOTS)	32	WIDTH (M)	21.2
CREW	191	VESSELS IN CLASS	6

DUKE CLASS

BIO

The Type 23, or Duke Class Frigate, is a class of ship designed primarily to protect the fleet from subsurface threats using both active and passive sonar to detect enemy submarines. Since their introduction they have taken on a more general purpose role being equipped with both anti-aircraft and anti-ship missiles.

ARMAMENT

1 × 32-cell Sea Ceptor GWS 35 Vertical Launching System canisters for 32 missiles , up to 2 × quad Harpoon launchers, 2 × twin 12.75 in Sting Ray torpedo tubes, 1 × BAE 4.5 inch Mk 8 naval gun, 2 × 30 mm DS30M/B Mk2 guns 2 × Miniguns, 4 × General-purpose machine guns, 1 x Wildcat or Merlin Helicopter

STATS

DISPLACEMENT (T)	4,900	LENGTH (M)	133
SPEED (KNOTS)	28	WIDTH (M)	16.1
CREW	181	VESSELS IN CLASS	12

RIVER CLASS (1)

BIO

The River Class offshore patrol vessels are two batches of vessels built for the Royal Navy to fulfill a number of roles. The three Batch 1 ships perform fisheries security and border patrol tasks in UK waters.

ARMAMENT

1 × Oerlikon 20 mm cannon
2 × General purpose machine guns

STATS

DISPLACEMENT (T)	1,700	LENGTH (M)	79.5
SPEED (KNOTS)	20	WIDTH (M)	13.5
CREW	30	VESSELS IN CLASS	3

RIVER CLASS (2)

BIO

The River Class offshore patrol vessels are two batches of vessels built for the Royal Navy to fulfill a number of roles. The five new Batch 2 ships provide overseas forward presence, performing maritime security duties and disaster relief operations.

ARMAMENT

- 1 × Bushmaster 30 mm cannon
- 2 × Miniguns
- 2 × General purpose machine guns

STATS

DISPLACEMENT (T)	2,000	LENGTH (M)	90.5
SPEED (KNOTS)	25	WIDTH (M)	13.5
CREW	58	VESSELS IN CLASS	5

HUNT CLASS

BIO

The Hunt class mine countermeasures vessel was designed to combine the separate roles of minesweeping and minehunting into one vessel. When they were launched they were the largest vessel in the world made of glass reinforced plastic giving them the affectionate nickname of the 'Tupperware Fleet'.

ARMAMENT

1 × 30mm DS30M Mark 2
2 × Miniguns
3 × General purpose machine guns

STATS

DISPLACEMENT (T)	750	LENGTH (M)	60
SPEED (KNOTS)	17	WIDTH (M)	9.8
CREW	45	VESSELS IN CLASS	6

SANDOWN CLASS

BIO

The Sandown Class are a type of minehunter that have been operated by the Royal Navy since 1992 and have been deployed around the world to keep shipping lanes open and free from mines.

ARMAMENT

1 × 30mm DS30M Mark 2 Automated Small Calibre Gun
3 × Miniguns
2 × General purpose machine guns

STATS

DISPLACEMENT (T)	600	LENGTH (M)	52.5
SPEED (KNOTS)	13	WIDTH (M)	10.9
CREW	34	VESSELS IN CLASS	5

ARCHER CLASS

BIO

The Archer, or P2000 Class, of fast patrol and training vessels are operated by the Royal Navy to provide coastal patrols around the UK as well as to allow Officer Cadets to learn the principles of navigation and ship control.

ARMAMENT

1 × Oerlikon 20 mm cannon on fo'c'sle (for but not with)
3 × General purpose machine guns
(Tracker, Raider, Dasher & Pursuer)

STATS

DISPLACEMENT (T)	54	LENGTH (M)	20.8
SPEED (KNOTS)	25	WIDTH (M)	5.8
CREW	18	VESSELS IN CLASS	16

ECHO CLASS

BIO

The Echo class is a class of multi-purpose hydrographic survey ships in commission with the Royal Navy. The ships are primarily tasked with conducting survey work in support of submarine and amphibious operations, however, the class also has a secondary role in mine countermeasures.

ARMAMENT

2 × Oerlikon 20 mm cannons
2 × Miniguns
4 × General purpose machine guns

STATS

DISPLACEMENT (T)	3,740	LENGTH (M)	90.6
SPEED (KNOTS)	15	WIDTH (M)	16.8
CREW	72	VESSELS IN CLASS	2

HMS SCOTT

BIO

HMS Scott is an ocean survey vessel of the Royal Navy, and the only vessel of her class. She is the third Royal Navy ship to carry the name, and the second to be named after the Antarctic explorer, Robert Falcon Scott. Scott has an auxiliary role in support of mine countermeasure.

ARMAMENT

N/A

STATS

DISPLACEMENT (T)	13,500	LENGTH (M)	131.1
SPEED (KNOTS)	18	WIDTH (M)	21.5
CREW	78	VESSELS IN CLASS	1

HMS PROTECTOR

BIO

HMS Protector is the only ice patrol ship operated by the Royal Navy and spends most of her time in the South Atlantic and Antarctic. In her role she provides environmental survey, humanitarian relief and support to the British Antarctic Survey.

ARMAMENT

4 Miniguns
5 General purpose machine guns

STATS

DISPLACEMENT (T)	5,000	LENGTH (M)	89
SPEED (KNOTS)	15	WIDTH (M)	18
CREW	88	VESSELS IN CLASS	1

HMS MAGPIE

BIO

HMS Magpie is the smallest of the Royal Navy's survey vessels and is primarily tasked with surveying inland waterways and coastal territories in support of operations.

ARMAMENT

N/A

STATS

DISPLACEMENT (T)	37	LENGTH (M)	18
SPEED (KNOTS)	23	WIDTH (M)	6.2
CREW	12	VESSELS IN CLASS	1

TIDE CLASS

BIO

The Tide Class Tanker is a class of four fleet tankers which are designed to provide fuel, food, fresh water, ammunition and other supplies to Royal Navy vessels around the world.

ARMAMENT

2 × Phalanx CIWS (Fitted for but not with, depending on deployment)
2 × 30 mm cannons
1x Wildcat or Merlin Helicopter

STATS

DISPLACEMENT (T)	39,000	LENGTH (M)	200.9
SPEED (KNOTS)	20	WIDTH (M)	28.6
CREW	63	VESSELS IN CLASS	4

WAVE CLASS

BIO

The Wave Class Tanker is a class of two fast fleet tankers which are designed to provide fuel, food, fresh water, ammunition and other supplies to Royal Navy vessels around the world.

ARMAMENT

2 × DS30B 30 mm cannon;
2 × 7.62 mm Mk.44 miniguns;
5 × 7.62 mm L7 machine guns;
2 × Vulcan Phalanx CIWS
1 x Merlin Helicopter

STATS

DISPLACEMENT (T)	31,000	LENGTH (M)	196.5
SPEED (KNOTS)	20	WIDTH (M)	28.25
CREW	80	VESSELS IN CLASS	2

FORT VICTORIA

BIO

The Fort Victoria or Fort II class is a class of replenishment oiler of the Royal Fleet Auxiliary, a role that combines the missions of a tanker and stores supply ship.

ARMAMENT

2 × 20 mm Phalanx CIWS
2 × 20 mm Oerlikon / BMARC KAA guns in
GAM-B01 mounts
15 cell Sea Wolf VLS (fitted for but not with)

STATS

DISPLACEMENT (T)	32,300	LENGTH (M)	203
SPEED (KNOTS)	20	WIDTH (M)	30
CREW	95	VESSELS IN CLASS	1

BAY CLASS

BIO

The Bay Class of Landing Ship, Dock is a large class of vessels designed to support amphibious operations and put a large number of troops ashore. The Bay class have also been pivotal in providing humanitarian relief to British territories overseas.

ARMAMENT

2 × 30mm DS30B cannon
2 × Phalanx CIWS
4 × 7.62mm Mk44 Miniguns
6 × 7.62mm L7 GPMG

STATS

DISPLACEMENT (T)	16,160	LENGTH (M)	176.6
SPEED (KNOTS)	18	WIDTH (M)	26.4
CREW	70	VESSELS IN CLASS	3

RFA ARGUS

BIO

RFA Argus is a joint Aviation Training Vessel and Casualty Clearing Ship. She can accommodate up to 6 helicopters and 180 RN personnel to support air operations. She has a fully equipped medical centre onboard and can house 200 medical staff.

ARMAMENT

2 × Oerlikon 20 mm/85 KAA on GAM-BO1 mountings
4 × 7.62mm GPMGs/Mk44 Miniguns

STATS

DISPLACEMENT (T)	28,081	LENGTH (M)	175.1
SPEED (KNOTS)	18	WIDTH (M)	30.4
CREW	80	VESSELS IN CLASS	1

POINT CLASS

BIO

The Point Class sealift ships are roll-on/roll-off ferries operated by a civilian company on behalf of the Ministry of Defence. When they are not needed they are used as merchant ships, but if called upon, the crews and ships are sworn in as sponsored reserves.

ARMAMENT

N/A

STATS

CUTLASS CLASS

BIO

The Cutlass Class are designed to serve in a sovereignty protection and coastal security role and are part of the Gibraltar Squadron attached to British Forces Gibraltar.

ARMAMENT

3 × general purpose machine guns (bow & stern-mounted)

STATS

DISPLACEMENT (T)	38.5	LENGTH (M)	19
SPEED (KNOTS)	41	WIDTH (M)	5.3
CREW	6	VESSELS IN CLASS	2

DREADNOUGHT

BIO

The Dreadnought Class of ballistic missile submarine will be the largest ever produced for the Royal Navy and is expected to take over the role of nuclear deterrence from the Vanguard Class.

ARMAMENT

4 × 21 inch (533 mm) torpedo tubes for:
Spearfish heavyweight torpedoes
12 × ballistic missile tubes for:
8 to 12 Lockheed Trident II D5 SLBMs

STATS

DISPLACEMENT (T)	17,200	LENGTH (M)	153.6
SPEED (KNOTS)	25	WIDTH (M)	12.8
CREW	130	VESSELS IN CLASS	4

CITY CLASS

BIO

The Type 26, or City Class, Frigate is the next generation of surface escort for the Royal Navy. Its primary role is to conduct advanced anti-submarine warfare missions while supporting air defence and general purpose operations.

ARMAMENT

2 x 24-cell VLS for 48 Sea Ceptor anti-air missiles, 1 x 24-cell Mark 41 VLS for various missiles including Future Cruise/Anti-Ship Weapon, 1 x 5-inch 62-calibre Mk 45 naval gun 2 x 30 mm DS30M Mk2 guns, 2 x Phalanx CIWS 2 x Miniguns, 4 x General purpose machine guns, 2 x Wildcat or Merlin Helicopters

STATS
